User Acceptance Testing (UAT) Digital Asset Management Accessibility Compliance (WCAG)
Figma to Web Implementation Cross-Platform Content Updates English Communication (C1+)

PROFESSIONAL EXPERIENCE

Web Publishing Specialist – Senior Associate | EY (Ernst & Young Global Delivery Services)

Jun 2026 – Present

- Publish and maintain enterprise web content on Adobe Experience Manager (AEM), ensuring accuracy, brand consistency, and on-time delivery across digital properties.
- Build interactive content and data visualizations using Ceros and Flourish to support engaging, on-brand digital experiences.
- Manage and resolve content and publishing requests through Zendesk, coordinating with stakeholders to meet SLAs.
- Collaborate with cross-functional teams using Microsoft Azure for workflow tracking and release coordination.

Web Content Manager | MRM (McCann Relationship Marketing)

Sep 2025 – Jun 2026

- Led content manager for 5 L'Oréal Group brand websites (L'Oréal Paris, Maybelline, Garnier, Essie, MIXA) across 4 enterprise CMS platforms — Sitecore, AEM, Umbraco and WordPress.
- Troubleshot and resolved publishing, display, and cross-platform web issues across global multi-region digital properties, ensuring timely and accurate experiences.
- Oversaw digital asset management and coordinated with global cross-functional teams (Dev, QA, Marketing) on web updates and digital campaigns.
- Managed project tracking and team collaboration using agile development methodology tools: JIRA and Confluence.

Content Development Associate | Accenture Inc.

Jun 2022 – Sep 2025

- Led a 1,000+ page enterprise CMS migration from Sitecore to Adobe Experience Manager (AEM) within a cross-functional team of 10 over 12+ months — delivered on schedule with zero content loss.
- Independently translated Figma designs into production-ready web pages on AEM with no supervision required, covering landing pages and careers pages at pixel-perfect accuracy.
- Performed UAT across multiple release cycles, identifying and documenting issues prior to go-live; applied SEO best practices across hundreds of pages.
- Maintained content accuracy and consistency across multilingual and multi-regional pages on [accenture.com](https://www.accenture.com) and Accenture Careers Blog.
- Utilized agile project management tools including Adobe Workfront and Azure DevOps for sprint planning, task tracking, and release coordination.
